

Product name	RAZER BLACKSHARK V2 HYPERSPEED
Product description	Wireless Ultra-Lightweight Esports Headset
E-TAILER CONTENT	
Intro (300 characters)	Get the non-stop comfort you need for all-day competitive play with the Razer BlackShark V2 HyperSpeed—a wireless ultra-lightweight esports headset. Designed for maximum performance and minimal weight, experience a level of clarity and power that never gets in the way of your game.
#1 USP (50 characters) Subline	280g Ultra-Lightweight Design for all-day gaming without fatigue
#1 Text (200 char limit)	Featuring optimized weight reductions and an improved clamping force, the headset provides seamless comfort that keeps you feeling fresh even for the most intense gaming marathons.
#2 USP (50 characters) + subline	Razer™ HyperClear Super Wideband Mic for high-definition, pro-level voice quality
#2 Text (200 characters)	By covering a wider frequency range of sound, this next-gen bendable mic captures an incredible amount of detail in your voice, so that every shotcall to your team sounds clear, rich, and natural.
#3 USP (50 characters) + subline	Razer™ TriForce Titanium 50 mm Drivers for clear and powerful sound
#3 Text (200 characters)	With titanium-coated diaphragms for added clarity, our patented 3-part driver design has been individually tuned for high, mids, and lows to ensure richer trebles, brighter midrange, and bigger bass.
#4 USP (50 characters) + subline	Razer™ HyperSpeed Wireless Technology for maximum responsiveness and reliability
#4 Text (200 characters)	With its industry-leading 2.4 GHz wireless connection, enjoy high-performance, low-latency competitive play with sound that's perfectly synced to your game.
#5 USP (50 characters) + subline	Noise-isolating Earcups with Ultra-soft Memory Foam for uninterrupted focus and long-lasting comfort
#5 Text (200 characters)	The headset's closed earcups conform to your head shape, creating a perfect seal to shut out distractions—supported by plush padding in a breathable fabric for complete comfort when competing.

#6 USP (50 characters) + subtitle	70 Hours of Battery Life with Type C Charging for multi-day use on a single charge
#6 Text (200 characters)	A single full charge of the headset provides up to 70 hours of battery life, enabling you to have non-stop competitive gameplay with minimal downtime.
