

TAPMUPMSTASU Logitech Small Room Tap + MeetUp + ASUS® NUC for Microsoft Teams Rooms

Transform small rooms to Teams collaboration spaces with one-touch join, always-on readiness, and center of room control. Systems include everything you need to deploy Teams video conferencing: Logitech MeetUp all-in-one conferencecam, ASUS NUC® mini PC, Logitech Compute Mount with cable retention, Logitech JumpStart services, and the Logitech Tap touch controller.

Logitech Tap features a 10.1" touchscreen, silent operation, and commercial-grade cabling and cable management. Optimized for the seating layouts and acoustics found in smaller rooms, MeetUp mounts at the display and delivers HD video and clear audio for everyone in the meeting.

FEATURES:

- Complete Microsoft Teams Rooms Kit for Small Rooms: Transform rooms to Teams collaboration spaces with one-touch join, always-on readiness, and center of room control.
- Preconfigured for Easy Installation: All-inclusive kit includes Logitech MeetUp, Logitech Tap touch controller, and ASUS® NUC mini PC.
- Small Wonder: Logitech MeetUp packs a motorized pan/tilt lens, 5x digital zoom, beamforming mic array, full-range speaker, and integrated table stand/wall mount in a compact form factor.
- Touch Controls That Mean Business: With a sleek design, responsive 10.1" screen, and motion sensor for always-on readiness, Logitech Tap brings ease and convenience to Teams Rooms.
- Flexible Cabling: Connect Tap up to 40 meters away from the ASUS® NUC mini PC with data and power carried over category cable (Cat5e Kit with 10m of cabling included).
- Logitech Jumpstart: Includes access to Logitech JumpStart resources (90 days) to support initial configuration and integration of Microsoft Teams Rooms.
- Optional Mounts for Logitech Tap: Add an optional table, riser, or wall mount to secure cabling and position Tap for convenient operation.
- Simple to Manage: Monitor and manage your meeting room devices from the Teams Admin Center. Plus, get business insights into how your rooms are being used with Logitech Sync.

SYSTEM REQUIREMENTS:

- Internet Connection: Wired or wireless
- Software License: Microsoft Teams Rooms software license (not included)
