

TAPRAPMSTASU Logitech Large Room Tap + Rally Plus + ASUS® NUC for Microsoft Teams Rooms

Transform large rooms to Teams collaboration spaces with one-touch join, always-on readiness, and center of room control. Systems include everything you need to deploy Teams video conferencing: Logitech Rally Plus and mount, ASUS® NUC mini PC, Logitech Compute Mount with cable retention, Logitech JumpStart services, and the Logitech Tap touch controller.

Logitech Tap features a 10.1" touchscreen, silent operation, and commercial-grade cabling and cable management. Participants enjoy studio-quality video and audio with Logitech Rally Plus, a premium conferencecam system that features Ultra-HD optics, modular audio with two speakers and two mic pods, thoughtful cable management, and premium finishes that integrate beautifully into the workplace.

FEATURES:

- Complete Microsoft Teams Rooms Kit for Large Rooms: Transform rooms to Teams collaboration spaces with one-touch join, always-on readiness, and center of room control.
- Preconfigured for Easy Installation: All-inclusive kit includes Logitech Rally Plus, Logitech Tap touch controller, and ASUS® NUC mini PC.
- Premium Audio and Video: Logitech Rally Plus features a PTZ camera with 15x HD zoom (5x optical + 3x digital), table and display hubs, and modular audio with two speakers and beamforming mic pods.
- Touch Controls That Mean Business: With a sleek design, responsive 10.1" screen, and motion sensor for always-on readiness, Logitech Tap brings ease and convenience to Teams Rooms.
- Flexible Cabling: Connect Tap up to 40 meters away from the ASUS® NUC mini PC with data and power carried over category cable (Cat5e Kit with 10m of cabling included).
- Logitech Jumpstart: Includes access to Logitech JumpStart resources (90 days) to support initial configuration and integration of Microsoft Teams Rooms.
- Optional Mounts for Logitech Tap: Add an optional table, riser, or wall mount to secure cabling and position Tap for convenient operation.

- Simple to Manage: Monitor and manage your meeting room devices from the Teams Admin Center. Plus, get business insights into how your rooms are being used with Logitech Sync.
