7-Port Compact USB 3.0 Hub with Built-in Cable

StarTech ID: ST73007UA

This compact, 7-port USB 3.0 hub is tailored to match the stylish design of your MacBook. It features a sleek, silver sandblasted housing that looks great next to your Apple laptop. And, because the hub is designed with a solid-aluminum casing, it provides the lightweight durability that's ideal for either travel or desktop usage.

Looks great while expanding your connectivity

This high-quality, Apple style USB hub gives you an easy way to expand your MacBook connectivity. It provides seven USB 3.0 (also known as USB 3.1 Gen 1) hub ports in a compact housing. With more ports, you have more scalability to connect extra USB devices. Plus, you can leave your devices plugged in, so they're ready to use when you need them.

The 7-port USB 3.0 hub offers a silver sandblast finish that provides a unique and stylish appearance, making the hub look as trendy and contemporary as your MacBook, Ultrabook, or laptop.

Compact and rugged

This compact hub features seven ports with plenty of space between each port, unlike some USB 3.0 hubs that jam multiple ports into a tightly-packed space which makes it difficult to connect multiple devices to adjacent hub ports. With extra port spacing, you can connect devices and cables that have larger connectors, without sacrificing the hub's small footprint design.

The rugged aluminum housing offers dependable protection, so the hub is perfect for travel, such as back-and-forth trips from home to office. Plus, the compact hub takes up minimal space on a desk, so you can use it in hot-desk or BYOD (Bring Your Own Device) environments.

Save money and time

The easy-to-use hub is plug-and-play and hot-swap compatible, so you can install it quickly, with no additional

drivers or software required. It includes a power adapter as well, so you can rest assured that you can connect virtually any USB 3.0 peripheral, even devices with high power requirements. Plus, you can also avoid the nuisance and cost of purchasing new devices by using the USB 3.0 hub with your current USB 2.0 and 1.x devices.

The ST73007UA is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- Connect a wide variety of peripherals at home or in the office, all from a single USB 3.0 connection
- Carry the hub with you while traveling, and connect virtually any USB peripheral wherever you go
- Deploy in hot-desk environments to provide USB hub access for multiple devices

Features

- Sleek and stylish, with a silver, sandblasted finish that matches your MacBook
- Rugged, aluminum housing delivers reliable performance
- Seven USB 3.0 ports in a compact and lightweight casing, and an built-in, extended-length cable
- SuperSpeed USB throughput support up to 5Gbps
- Connect and operate USB 3.0 devices that require additional power, using the included power adapter
- Backward compatibility lets you save money by using the hub with existing USB 2.0 and 1.x devices
- Plug-and-play and hot-swap compatible
- Provides overcurrent protection

Technical Specifications

Warranty	2 Years
Cable Length	38.6 in [980 mm]
Color	Silver & White
Enclosure Type	Aluminum and Plastic
Product Height	0.7 in [18 mm]
Product Length	7.2 in [183 mm]
Product Weight	4.7 oz [132 g]
Product Width	1.4 in [36 mm]
Bus Type	USB 3.0
Chipset ID	Genesys Logic - GL3520
Industry Standards	USB 3.0 - Backward compatible with USB 2.0/1.1
Interface	USB 3.0
Ports	7
Maximum Data Transfer Rate	5 Gbps
Type and Rate	USB 3.0 - 5 Gbit/s
Connector Type(s)	7 - USB 3.0 A (9 pin; SuperSpeed) Female
Connector Type(s)	1 - USB 3.0 A (9 pin; SuperSpeed) Male
OS Compatibility	OS Independent; No additional drivers or software required
Note	If connected to a USB 2.0 host port, performance may be limited
System and Cable Requirements	Host computer with a USB 3.0 port
LED Indicators	1 - Power
Center Tip Polarity	Positive
Input Current	1.5 A
Input Voltage	100 ~ 240 AC
Output Current	4 A
Output Voltage	5 DC
Plug Type	H
Power Consumption	20 W Max.
Power Source	AC Adapter Included
Humidity	10%~90% RH (Non-condensing)
Operating Temperature	0°C to 40°C (32°F to 104°F)
Storage Temperature	-10°C to 70°C (14°F to 158°F)
Shipping (Package) Weight	19.2 oz [544 g]

Included in Package	1 - 7-port USB 3.0 hub - compact with built-in cable
Included in Package	1 - USB 3.0 host cable
Included in Package	1 - universal power adapter (NA/EU/UK/AU)
