

HP S101 Speaker Bar

Add rich stereo audio to select HP displays¹ without crowding your desk with the HP S101 Speaker Bar, which fits neatly underneath the display head and connects through USB.

Easy assembly

Simply attach the speaker bar below your display's¹ bottom bezel through the slots designed for a perfect fit and connect to the display's integrated USB port. No tools or software driver required!

Flexible audio connectivity

Enjoy clear dual-speaker stereo sound for your media and more, and use the line-in port to connect your phone or media player directly to the speaker bar. A headphone jack lets you listen without disturbing your colleagues.
