## **Get top quality audio**

Give your teams and customers the quality audio you expect from Poly, with a flexible noise-canceling microphone to tune out background buzz and chatty neighbors.

## **Make conversations clear**

Better understanding leads to better outcomes, and happier customers. That's why we use voice-optimized frequency response to make conversations clearer – and more accurate.

### **Flexible microphone boom**

Give your teams and customers quality audio with a flexible noise-canceling microphone.

### **Acoustic protection**

SoundGuard acoustic limiting technology is used to protect against Acoustic Shock by limiting sounds to below 118dBA.

### **Poly Quick Disconnect (QD)**

Enable your flexible workforce with the features they need and use every day, like Poly Quick Disconnect (QD).

### **Voice-optimized frequency**

Create clearer and better conversations with voice-optimized frequency response.

**Datasheet**

# Poly EncorePro 320 with Quick Disconnect Binaural Headset TAA
